INTEGRATED INTERNSHIP

What is Integrated Internship ? How this will give Benefit to the Candidates in the Real World ?

An Integrated Internship Program will be for 2 Months which is Free of Cost from our Own Startup **VETRI IT SYSTEMS PRIVATE LIMITED** which will help Candidates to get the Hands on Experience in Projects during their Training Period itself. It will save the Candidate's Training Duration also if the Candidate use the Internship effectively an Immediate hands on experience would be gained and make them available as Job Ready in the Training Period itself. IT Training & Internship will happen at the same time to implement the Practical Tasks and Projects. A Candidate will receive **IT Training Completion Certificate** from **VTS** & **Internship Completion Certificate** from our own Startup **VETRI IT SYSTEMS PRIVATE LIMITED** after the **Successful Training & Internship Completion**. (Additional Days will be added with the Course Duration for the Mock Interviews, Any Additional Tools Covered, Weekly Reviews, Tasks, Mini & Main Projects review).

HAPPY LEARNERS FEEDBACK EMAILS

VIJEESH

Python FullStack

The training was well-structured, informative, and helped me strengthen my understanding of key frontend concepts and tools. I truly appreciate your support and mentorship throughout the learning process. Looking forward to applying these skills and continuing to learn further.

RAMA LAKSHMI P

Python FullStack

Thank you so much for the wonderful Frontend training. I enjoyed learning HTML, CSS, Bootstrap, and React installation from you. Your teaching was easy to understand. I truly appreciate your patience- you explained every doubt I asked with clarity, which helped me a lot. Once again, thank you!

VENKATESAN P

Python FullStack

I acknowledge that I have learnt many topics from your classes, inspite of 6 years gap in coding and this is my last chance to my career. Way of teaching is excellent. I can easily understand the class, doubt clearing session is useful. Now I am confident in coding, special thanks for u mam.

GAYATHRI S

Python FullStack

Thank you for your guidance and support throughout the training sessions. Your clear explanations and structured approach have helped me understand the topics effectively. Looking forward to learning more under your guidance.

SOWNDARYA KUMAR

Python FullStack

I acknowledge the receipt. Thank you for giving wonderful opportunity to learn with VTS! I have learning Python course very clearly. Madam clear all of our doubts with smoothly, her approaching is too nice so that we can ask our doubts without any hesitation.

SOUNDARYA

Python FullStack

The class was engaging and informative. The lessons were well-structured and easy to follow. AlaguMari Mam explained the concepts clearly and made sure everyone understood before moving on. I appreciated the opportunity to ask questions and take part in discussions.

SANGEETHA R

Python FullStack

I am writing to express my sincere gratitude for training on this full stack python course. Our trainee Alagumari mam is a perfect teacher. She made learning experience effective that improved my skills. Thank you for providing impactful training experience.

SRI SANTHIYA

Python FullStack

Thank you so much for the classes till now and guiding me in HTML, CSS, and JAVASCRIPT. Your method of teaching was clear and easy to understand, which made the learning process much more engaging for all topics, Mam. Thank you once again for this excellent training experience till now.
